# CUSTOM AND HARD-TO-FIND ALUMINUM TRIMS AND EXTRUSIONS FOR OVER 30 YEARS

We are your single source for hundreds of in-stock custom and hard-to-find aluminum trims and extrusions as well as standard aluminum shapes. If we don't have what you need, we'll help you find it, or help you create it.

## STOCK ALUMINUM TRIMS & EXTRUSIONS

We stock hundreds of custom and hard-to-find aluminum trims and extrusions, as well as standard shapes. We work with the top extruders in the industry, providing access to thousands of different dies and shapes.

## CUSTOM EXTRUSIONS & OEM EXPERTS

If your project demands a custom aluminum extrusion, we will help you engineer and design the perfect die solution for your requirements. If we don't have what you need, we'll help you find it or create a new profile.

- Custom Design
- Custom Dies
- Custom Extrusions
- Custom Finishes
- Custom Lengths
- Custom Packaging

## ALUMINUM FINISHES

Our anodized aluminum finishes come in several standard finishes as well as customized anodized finishes to help create the exact look you need. Custom aluminum finishes are available in anodized, mechanical, or painted finishes.

- Anodizing
- Bead Blasting
- Brushing
- Chemical Wash
- Painting
- Polishing
- Powder Coating
- Straight Lining

## LIGHT FABRICATION

Projects can be demanding, and we offer light fabrication services to help get your project complete. Our services include cutting to custom lengths, drilling or countersinking, deburring, punching, forming, bending, and assembly.

- Drilling
- Countersinking
- Welding
- Cutting to Length
- Mitering Corners
- Forming, Bending
- Punching
- Deburring
- Assembly

## **CELEBRATING 30 YEARS OF OUTSTANDING CUSTOMER SERVICE**

Customer satisfaction is our business. Eagle Mouldings was founded in 1989 with the belief that premium products, along with outstanding customer service would pass the test of time. Over 30 years later, we still believe our customers' satisfaction drives the way we do business. Our customers have come to recognize Eagle Mouldings as their single source for custom and hard-to-find aluminum trims and extrusions, fast turn-around, great pricing, and personalized customer service. We would have it no other way.
