

UPGRADE YOUR DRYWALL WITH EAGLE ARCHITECTURAL TRIMS

Recognizing the critical role of drywall transitions in defining interior aesthetics, Eagle Aluminum's line of drywall trims are designed for swift and straightforward installation, ensuring clean, sharp edges that elevate the overall finish.

Available in profile depths of 1/2" and 5/8", and readily accessible in convenient 10' lengths of Clear Satin Anodized and Mill Finish, these trims offer both wall protection and lasting visual appeal. Their precise profiles create impactful reveals and shadow lines, adding a layer of architectural sophistication to any commercial interior.
