# EAGLE-CLIP™ ALUMINUM Z CLIP HANGING SYSTEM

Hanging things has never been easier. The Eagle-Clip Z Clips (aluminum z extrusions) are a fast and cost effective method to hang, fasten, and secure any kind of wall panel, acoustical panel, partition, frame, cabinet, sign, mirror or piece of artwork. Our specially engineered Eagle-Clip Z Clips allow for fast mounting and removal. Made from heat treated hardened aluminum, wall panel clips are available in 1½" and 2" clips, while ceiling clips are 2½″. With continuous lengths of 72" and 144", either punched or un-punched, the Eagle-Clip Z Clips make installation fast and easy.
